Subject: Correction of EPA's 10/4/17 CSF Amendment Letter
Product Name: DuPont Prevathon Insect Control
EPA Registration Number: 264-844
Application Date: 6/7/17
Decision Number: 530272

Dear Ms. Bieber:

On 10/4/17 EPA issued a letter regarding the acceptability of a PRIA Confidential Statement of Formula (CSF) amendment for EPA Reg. No. 264-844. Unfortunately, in the summary section of the product's acceptable CSFs, an incorrect date was listed for the Basic CSF. This letter corrects that error. The correct date for the Basic should have been listed as 8/31/17.

Please note that the correct record for this product currently contains the following CSFs:

Basic CSF dated 8/31/17
Alt CSF 2 dated 6/7/17

Alt CSF 1 dated 6/7/17
Alt CSF 3 dated 6/7/17

Any CSFs other than those listed above are superseded/no longer valid. If you have any questions, please contact Marianne Lewis by phone at (703) 308-8043 or via email at lewis.marianne@epa.gov.

Sincerely,

A handwritten signature in black ink, which appears to read "Marianne Lewis". The signature is written in a cursive, flowing style.
